

ASSISTANCE LEAGUE® OF SOUTHERN CALIFORNIA

It is an honor to present the annual audited financial statements of the Assistance League of Southern California for 2011-2012. These statements reflect a year of remarkable change at the League. Changes led by the board of directors, our outstanding staff and the many dedicated volunteers who worked together to ensure that the League continues as a vital organization in our community. These audited financial statements reflect the work of our accounting and finance department led by Emily Bernhardt, Chief financial Officer, our employees and administrative team led by Ana LaDou, Interim Chief Executive Director, with the support and dedication of the board and volunteers of the League.

This year the board worked to re-energize, refine and restate our mission, programs and services. Our mission statement says it best:

Assistance League of Southern California's mission since 1919 is to improve the quality of the lives of at-risk children, families and senior citizens by providing vital social services in the Los Angeles Community.

We embarked on a restructure of the League's program and staffing with the goal to focus our resources on those in the community who need us the most. Many of the decisions were difficult to make, however they were all necessary to ensure that the League will remain impactful for the next hundred years. The Membership Committee, formerly League Council, can look forward to social and volunteer activities throughout the coming year. Meetings will include speakers, luncheons and more opportunities to volunteer directly with the services and programs that mean so much to the children, families and seniors we serve.

The board has served tirelessly. The board, an active and involved group of nineteen women, has faithfully attended over twenty-five board meetings and twice as many committee meetings throughout this year! As you can see from these financial statements, we've made the hard choices, and we continue to exercise fiscal responsibility. It is a daunting task to maintain our services, programs and facilities, especially as fiscal support from the federal, state and local government has declined.

Now, I'd like to invite you to join us in continuing our work for the League. We welcome your assistance and we appreciate your input. We look to you for support in the upcoming annual appeal. Please give generously and proudly to the organization that has served and will continue to serve our Los Angeles community.

Yours sincerely,

Sue Leisner

INDEPENDENT AUDITORS' REPORT

To the Audit Committee
ASSISTANCE LEAGUE OF SOUTHERN CALIFORNIA
Los Angeles, California

We have audited the accompanying statement of financial position of Assistance League of Southern California (the "League") as of June 30, 2012, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the League's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (the "U.S.") and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the U.S. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Assistance League of Southern California as of June 30, 2012, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the U.S.

In accordance with *Government Auditing Standards*, we have also issued our report dated October 25, 2012, on our consideration of the League's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

INDEPENDENT AUDITORS' REPORT (Continued)

The supplemental information included on pages 28 - 30 is presented for purposes of additional analysis and is not a required part of these financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the U.S. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2012

NOTE 1 - ORGANIZATION AND OPERATIONS

Assistance League of Southern California's (the "League's") mission since 1919 is to improve the quality of the lives of at-risk children, families, and senior citizens by providing vital social services in the Los Angeles community.

The League has three main program service areas: Children's Services, Family Service Agency ("FSA"), and Senior Services. It has eight fundraising auxiliaries that support their mission and provide social volunteer opportunities for their membership and volunteer and funding support to their programs and services. All program and auxiliary activities are reported within these financial statements.

Children's Services

Children's Services include Operation School Bell, the Theatre for Children, Foster Children's Resource Center, and Metro Learning Center for Children, a preschool facility in Hollywood.

Operation School Bell provides clothing to elementary school children and is supported by the Anne Banning Auxiliary. By providing school and play clothing to children from disadvantaged circumstances, Operation School Bell gives children a better chance to learn – to feel like their classmates and step away from poverty. School representatives give high praise to the program, and explain that students who receive clothing have better attendance, improve academically, and gain self confidence. Operation School Bell's resources are available to children from over 700 schools in Los Angeles Unified School District.

The **Theatre for Children** is operated by the Nine O'Clock Players Auxiliary which presents two exceptional stage plays each year that are chosen from classic children's literature. Approximately one-third of the children who attend the productions are economically or physically disadvantaged. The League provides both bus transportation and admission free of charge to these children.

The **Foster Children's Resource Center** is operated by the Hilltopper's Auxiliary. The League's volunteers help soften the hardships to foster children by offering new clothing, layette items, school uniforms, play clothes, and jackets. Clients are referred by social workers and others working with foster children. Additional items include books, toys, and grooming supplies.

FOR THE YEAR ENDED JUNE 30, 2012

NOTE 1 - ORGANIZATION AND OPERATIONS (Continued)

Metro Learning Center for Children serves the Hollywood community's neediest children ages three to five years. Pre-school programs are provided in a structured, nurturing environment, and are funded through the California Department of Education. Metro Learning Center for Children is accredited from the National Association for the Education of Young Children, which is a national, voluntary accreditation system that sets professional standards for early childhood education programs.

Family Service Agency

FSA provides counseling and other social services designed to improve the well-being and ensure the safety of children whose families are struggling with issues of child abuse, poverty, domestic violence, substance abuse, and mental health issues. Services are designed to help parents and children become strong, resilient families capable of successfully navigating the emotional and economic challenges of life. FSA's services include individual and group counseling focused on mental health issues, substance abuse prevention and treatment, child abuse prevention and treatment, domestic violence, parent education, women's support groups and fatherhood empowerment. Prevention services concentrate on positive discipline techniques, family budgeting, academic support and mentoring programs for youth.

Currently FSA is one of the largest providers of family preservation services in Los Angeles County. In 2012, FSA was awarded an additional grant from the Department of Mental Health to provide outreach and engagement services to recently- returned military families. FSA is committed to serving clients with limited incomes from communities that are frequently isolated due to cultural and linguistic differences. FSA provides diversity within the staff, which reflects its commitment to providing culturally competent services.

Senior Services

The League's Senior Multipurpose Center (the "Center") provides a safe haven for seniors in Hollywood, helping facilitate socialization, recreation and physical activity, and helping seniors stay well mentally, emotionally, and physically. The Center is the home of aging-in-place and wellness programs for local area seniors allowing them to age independently in their own homes.

NOTE 1 - ORGANIZATION AND OPERATIONS (Continued)

Transitioning Operations

Volunteer Los Angeles connects people and businesses to organizations that benefit from their involvement through operating a court referral program, organizing the recruitment of medical volunteers in advance of public health emergencies, and other volunteer opportunities for the public at large. Management believes Volunteer Los Angeles is a strong, viable agency that will be best served by being its own agency and the League will be working to set the agency up as its own Internal Revenue Code ("IRC") Section 501(c)(3) organization in 2013.

Discontinued Operations

In April 2012, the Board of Directors (the "Board") of the League engaged in a reorganization process to address some of the challenges facing the League due to the economy. In June, the League announced a re-organization that resulted in approximately one-third of the League's employees receiving a notice pursuant to the Worker Adjustment and Retraining Notification Act ("WARN"). While the Board was disheartened to make the changes and cuts, its goal was to focus where community needs were greatest, where volunteer members could best respond, and where funding continues to be available.

Three programs and related support services were affected by this notice. Some children's programs were discontinued due to a continuing threat for reduced funding, declining enrollment, and prohibitive costs to maintain quality services. Senior Services programs funded by the City of Los Angeles Department of Aging were transitioned to another social service agency; however the League will continue to operate the Center and seniors will continue to be provided congregate meals, case management and social services. A few Volunteer Los Angeles programs were discontinued in response to the closures of Los Angeles County courthouses and in preparation for the establishment of the new Volunteer Los Angeles entity.

Due to the transition time required by some of the federally-funded grants and the necessity to comply with the advance notification provisions of the WARN act, the discontinuance of some of the program activities was not fully concluded until September 30, 2012. The net costs of the discontinued operations that have occurred for the year ended June 30, 2012, the estimated cost of severance and related costs, and the estimated net costs to terminate the discontinued programs for the period July 1 through September 30, 2012, have been reported as discontinued operations on the statement of activities. The estimated net costs to terminate the discontinued programs through September 30, 2012, have been reported as accounts payable and accrued liabilities on the statement of financial position (see Note 13).

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2012

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the League have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Income Tax Status

The League is a nonprofit public benefit corporation organized under the laws of California, and, as such, is exempt from federal and California franchise taxes under IRC Section 501(c)(3) and corresponding California Revenue and Taxation Code sections.

The League's federal income tax and informational returns for tax years ending June 30, 2009, and subsequent remain open to examination by the Internal Revenue Service. The returns for California, the League's only state tax jurisdiction, remain open to examination by the California Franchise Tax Board for tax years ending June 30, 2008, and subsequent.

Net Assets

The League reports information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted (see Note 8).

Unrestricted Net Assets - are currently available for use by the League or were received with donor restrictions that were satisfied in the same period. Unrestricted net assets may be designated by the Board either for specific purposes or for investment.

Temporarily Restricted Net Assets - are restricted by donors for specific purposes, restricted for use in specific future periods, or subject to both a purpose and a time restriction. Restricted contributions received are classified as unrestricted if the restrictions are met within the same reporting period.

Permanently Restricted Net Assets - are restricted by donors in perpetuity as endowments. Earnings from permanently restricted net assets are classified as temporarily restricted until they have been appropriated for expenditure.

ASSISTANCE LEAGUE OF SOUTHERN CALIFORNIA

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2012

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

Management uses estimates and assumptions in preparing financial statements. These estimates and assumptions affect the reported amounts of assets, liabilities, and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses reported during the period. Actual results could differ from these estimates.

Endowments

Net assets associated with endowment funds, including funds designated by the Board to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions (see Note 9).

Cash and Cash Equivalents

Cash equivalents consist of highly-liquid investments with original maturities of three months or less. In addition to the cash and cash equivalents reported on the statement of financial position, cash and cash equivalents totaling \$180,927 are also included within investments and additional cash and cash equivalents totaling \$1,168,570 not used in operations are reported as cash designated for special purposes on the statement of financial position.

Accounts Receivable

Accounts receivable are comprised of grants and contracts receivable from federal, state and local governments and current receivables from private funders and contributors. Management analyzes the collectability of these receivables and establishes an allowance for doubtful accounts when the receivable is deemed uncollectible. As of June 30, 2012, management has determined substantially all grants, contract and other receivables are collectible, but has provided for a general allowance for doubtful accounts totaling \$9,136.

Investments

Investments are stated at fair value based on a hierarchy discussed in Note 3.

Purchases and sales of securities are recorded on trade dates. There were no outstanding purchases or sales transactions as of June 30, 2012.

ASSISTANCE LEAGUE OF SOUTHERN CALIFORNIA

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2012

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments (Continued)

Interest and dividend income and realized and unrealized gains and losses on investments are reported as investment income as increases or decreases to unrestricted net assets, unless their use is restricted by donor stipulations or law.

Property and Equipment

Property and equipment used in the operations of the League are stated at cost or, if contributed, at the fair value at the date of contribution. Depreciation and amortization on both purchased and donated items are recorded using the straight-line method over the shorter of the estimated useful life of the related asset or the term of the lease for leasehold improvements as follows:

Land improvements	15 - 20 years
Buildings and improvements	40 years
Furniture and fixtures	15 years
Office and other equipment	5 years
Vehicles	5 years
Computer equipment	3 years

Normal repairs and maintenance are expensed as incurred, whereas significant charges that materially increase values or extend useful lives are capitalized and depreciated over the estimated useful lives of the related assets.

Expenditures for fixed assets that are purchased with government funds are expensed when acquired because the grantor retains title to such assets.

Impairment of Long-Lived Assets

Management reviews each asset or asset group for impairment whenever events or circumstances indicate that the carrying value of an asset or asset group may not be recoverable, but at least annually. No impairment provision was recorded by the League during the year.

Revenue Recognition

Contributions, including unconditional promises to give, are recognized when made. All contributions are available for unrestricted use unless restricted by the donor. Temporarily restricted contributions that are expended in the current year are reported as unrestricted. At its discretion, the Board may designate unrestricted contributions for specific purposes (see Note 8).

ASSISTANCE LEAGUE OF SOUTHERN CALIFORNIA

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2012

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contributed Goods and Services

The League receives contributions of goods and services. Contributed goods include sundries, supplies, meals, and equipment that are used in programs that serve children, seniors, and families and are recorded at their fair value when received. Professional services that meet the standard for recognition as contributed services are recorded as contributed goods and service revenue and the related expense. A substantial number of volunteers have donated significant amounts of time to the League's program and fundraising activities. The value of these contributions is not reflected in the financial statements as these services do not meet the criteria for recognition as contributed services.

Functional Expenses

The League allocates its expenses on a functional basis among its various programs and support services. Expenses that can be identified with a specific program or support service are allocated directly according to their natural expenditure classification. Other expenses that are common to several functions are allocated based on estimated level of effort or estimated physical space attributed to programs, support, and fundraising.

For programs reimbursed by the federal government, the League charges overhead costs totaling 17.6% under a Cost Allocation Plan approved by the U.S. Department of Health and Human Services.

Occupancy

Occupancy includes expenses for security, utilities, trash and regular servicing for elevators, alarms, landscaping and other directly paid costs for maintaining the buildings and property of the League. Additionally, rents and related costs to maintain facilities that are not owned by the League are included within occupancy expenses.

Concentrations of Risk

The League maintains cash balances at institutions insured by the Federal Deposit Insurance Company ("FDIC"). Some of the League's cash balances exceed FDIC-insured limits. The League has not experienced and does not anticipate any losses related to cash held in these accounts.

Investments balances are insured by the Securities Investor Protection Corporation ("SIPC"). Generally the League's investment balances exceed SIPC-insured limits. The League has not experienced and does not anticipate any losses related to investments held in these accounts.

ASSISTANCE LEAGUE OF SOUTHERN CALIFORNIA

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2012

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Subsequent Events

The League has evaluated events subsequent to June 30, 2012, to assess the need for potential recognition or disclosure in the financial statements. Such events were evaluated through October 25, 2012, the date the financial statements were available to be issued. Based upon this evaluation, it was determined no subsequent events occurred that require recognition or additional disclosure in the financial statements, except as described in Notes 6, 9, and 13.

NOTE 3 - INVESTMENTS

The League reports its investments at fair value among three categories of price inputs available. These categories of inputs are quoted prices in active markets for identical assets (Level 1); significant other observable inputs (Level 2); and significant unobservable inputs (Level 3) (there were no Level 3 investments as of June 30, 2012).

Investments consist of the following:

	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>

In April 2012, the Board agreed that property in Panorama City would be offered for sale. The League has retained a commercial real estate broker to facilitate the sale.

NOTE 5 - MORTGAGE PAYABLE

The League has a mortgage payable to a financial institution, secured by the Panorama City land and building being sold (see in Note 4), with monthly payments of principal and interest (at 7.375%) of \$3,174 through January 2017, at which time any remaining principal and interest is due. Upon the sale of the Panorama City land and building, this mortgage will be paid in full. The mortgage note is subject to substantial prepayment penalties and several debt covenants, the most restrictive of which is a requirement to maintain a positive net asset balance. The League is in compliance with all debt covenants as of June 30, 2012.

NOTE 6 - LINE OF CREDIT

The League has a line of credit for working capital from a financial institution for \$300,000 that was unused during the year. The line is unsecured and carries an interest rate of 3.25% and requires the League to be out of debt for thirty consecutive days annually throughout the term of the loan. The line of credit agreement expired in September 2012; management anticipates no problems in negotiating an extension.

NOTE 7 - ASSET RETIREMENT OBLIGATION

The League has estimated the fair value of the cost to provide asbestos remediation to be \$310,950 at June 30, 2012, and it is included within accounts payable and accrued liabilities on the statement of financial position. Accretion expense totaled \$10,365 for the year.

NOTE 8 - NET ASSETS

Reclassification of Net Assets Associated with Endowments

During the year, management evaluated net assets associated with endowments and quasi-endowments (i.e., board-designated unrestricted endowments) and determined, based on the donors' intention to restrict the use of the donated assets for specific purposes, that net assets associated with the invested endowments require reclassification in order to be accurately reported as unrestricted board-designated, temporarily restricted, and permanently restricted net assets.

Effective July 1, 2011, net assets were reclassified as follows:

	<u>Unrestricted and Board Designated</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total</u>
Balance, July 1, 2011, as originally reported	\$12,303,246	\$ 2,407,115	\$ 2,302,007	\$17,012,368

Unrestricted Board-Designated Net Assets

At June 30, 2012, unrestricted board-designated net assets are as follows:

Quasi-endowment	\$ 3,544,860
Nine O'Clock Players - surplus	349,680
Operation School Bell - inventory	156,825
Foster Children's Resource Center - inventory	40,036

NOTE 9 - ENDOWMENTS

The League endowments and quasi-endowments consist of pooled funds established for the purposes as described below. The Board has interpreted the California Uniform Prudent Management of Institutional Funds Act ("Cal UPMIFA") as requiring the preservation of the fair value of donor-restricted endowment funds. Donor-restricted endowment funds not classified as permanently restricted are classified as temporarily restricted net assets until those amounts are appropriated for expenditure in a manner consistent with donor intentions and the standard of prudence prescribed by Cal UPMIFA.

ASSISTANCE LEAGUE OF SOUTHERN CALIFORNIA

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2012

NOTE 9 - ENDOWMENTS (Continued)

In accordance with Cal UPMIFA, the League considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the League and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the League
- (7) The investment policies of the League.

Return Objectives and Risk Parameters

The League has adopted investment and spending policies for endowment assets to provide for growth and income for its endowment assets. This is a balanced approach that seeks long-term growth in capital along with significant current income that will earn returns in excess of a passive set of market indices representative of the invested portfolio's asset allocation. Endowment assets include those assets of donor-restricted funds classified as permanently and temporarily restricted net assets as well as board-designated funds. Under the investment policy, endowment assets are invested to return 6% on a compound annual return basis after the deduction of management fees and annualized over three five-year rolling time periods and a full market cycle. Actual returns in any given year may vary from this amount.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the League relies on diversification through asset allocation with the targets for invested assets as follows: equities 45%, fixed income 45%, and commodities and other investments 10%. Management, members of the finance committee, and the League investment advisors meet regularly to ensure the strategies and investment performance are appropriate for the League.

NOTE 9 - ENDOWMENTS (Continued)

Spending Policy and How Investment Objectives Relate to Spending Policy

In September 2012, the League approved a spending policy which provides for a distribution of 3.6%, annually calculated over twelve trailing quarters. By special resolution, any amount of the board-designated endowment may be withdrawn for any purpose consistent with the mission of the League, and any amount of temporarily restricted term endowments may be appropriated for expenditure in accordance with the donors' specific instructions. During the year ended June 30, 2012, \$602,000 was distributed from the quasi-endowment. In September 2012, the Board approved a distribution in the amount of \$613,540 from the quasi-endowment and appropriated \$386,460 for expenditure from the temporarily restricted endowment to be used in accordance with the donors' specific instructions.

Endowment Net Asset Composition by Type of Fund

Endowment net assets have been classified as follows:

	<u>Unrestricted and Board- Designated</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total</u>
Donor-Restricted				
Theater for Children	\$ 5,905	\$ 593,305	\$ 728,687	\$ 1,327,897

	<u>\$ 3,544,860</u>	<u>\$ 1,463,628</u>	<u>\$ 2,465,757</u>	<u>\$ 7,474,245</u>

The fair value of assets associated with individual donor-restricted endowments may fall below the level established by the donor. Deficiencies of this nature totaling \$61,316 resulting from unfavorable market fluctuations were reported in unrestricted net assets as of June 30, 2012.

Retirement Plan

The League offers an IRC Section 401(k) plan (the "Plan") to its employees who are at least 21 years old and have completed six months and 500 hours of service. Plan participants are permitted to defer up to 20% of their compensation and the League will match 25% of the first 4% of contributions. Employer contributions vest after six years of service. For the year ended June 30, 2012, the League contributed \$28,613 as matching contributions.

--	-------------------	------------------	-------------------

Litigation

In the normal course of operations, the League is named as a defendant in lawsuits and is subject to periodic examinations by regulatory agencies. After consultation with legal counsel, management is of the opinion that liabilities, if any, arising from such litigation and examinations would not have a material adverse effect on the financial position of the League.

Government Grants

Certain programs of the League receive funding and support from the local, state or federal governments. Accordingly, these programs are subject to audit that could result in adjustments. Management believes that liabilities, if any, resulting from any such audits will not have a material effect on the financial statements.

Volunteer Los Angeles

In July 2012, the Board voted to take actions to create a separate IRC Section 501(c)(3) charity, Volunteer Los Angeles. All the services associated with the Volunteer Los Angeles program, described in Note 1, are intended to be transferred to this new entity.

Future Rental Income

In August 2012, the League entered into a lease arrangement with a nonprofit school. The school has agreed to a five-year lease to rent the League facilities vacated by the discontinued children's programs.

Effective October 1, 2012, a nonprofit voluntary health and welfare organization assumed responsibility for the administration of all Senior Services funded by the City of Los Angeles Department of Aging ("DOA"). DOA programs that serve seniors in the Hollywood Senior Center will be provided by the new organization. The new organization has entered into a short-term lease arrangement with the League for use of the facilities to provide these services.
