Foster Children’s Resource Center provided critically-needed clothing, grooming kits and school supplies to 1,715 foster children, boosting their self-confidence and school attendance.

Hollywood Children’s Club helped young parents living in poverty with clothing, diapers and hygiene products for their infants.

Operation School Bell and its mobile component School Bell on Wheels served 5,006 of LA’s neediest children with clothing, school supplies and hygiene products, promoting their self-esteem and academic engagement. **Preschool Learning Center** received accreditation from the National Association for the Education of Young Children and provided an excellent preschool education for 55 low-income children.

Theatre for Children brought the unadulterated joy of live theater to more than 12,000 disadvantaged, handicapped and/or special needs children.

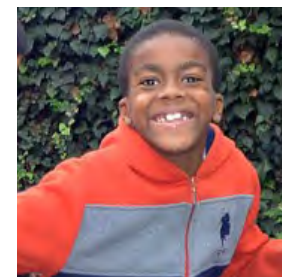

Our Court Referred Volunteer Center program, our service enterprise, connected thousands of citizens with local organizations resulting in over 2,800,000 hours of community service accomplished across Los Angeles.

2016
Annual Report

Dear Members and Supporters of Assistance League® of Los Angeles,

Thank you for your continued loyalty and support of our efforts to improve the lives of disadvantaged children in Los Angeles. Our Preschool Learning Center, Theatre for Children Program, Foster Children's Resource Center, Hollywood Children's Club and Operation School Bell enrich the lives of these children and support their efforts to attend school. Our service enterprise, the Court Referred Volunteer Center program connects thousands of volunteers to community service projects across the city.

This Annual Report provides a snapshot of the number of children who, thanks to your support, have enjoyed new clothing, school

supplies, hygiene products, toys, books, a live theatrical performance, or a high-quality preschool education. We hear over and over again that our programs meet the needs of impoverished children and that our unique services are deeply valued by parents, teachers, principals, counselors, and foster families.

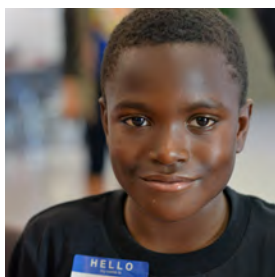

The League's service delivery model is built upon heart-to-heart care. Our dedicated members and community volunteers fundraise as well as provide hands on delivery of our services. Our caring teachers prepare preschoolers for a successful entry into kindergarten and our court referral specialists match clients with volunteer opportunities throughout Los Angeles.

We continue to focus on expanding membership and increasing financial resources so that we may provide services to even more children in the community. To that end, we completed the sale of our property on St Andrews Place and have transferred the proceeds to the Friends of the League Foundation. This allows the Foundation to offset overhead expenses so that fundraising can be directed toward our program delivery. If you would like more detailed financial information, please visit our website www.AssistanceLeagueLA.org or look us up on Guidestar. Thank you once again for your support!

With warm regards,

Andrea ("Andy") Goodman
